The Rack Pack is back! Hosts Nasty Canasta and Jonny Porkpie plan to bring “the strip” to Atlantic City as only Pinchbottom can. But when the seedy casino owner – a real 18-carat fink – cancels their Rat-Pack-style show, there's only one way for these cats to get their revenge: a swingin' naked heist.

Here's what goes down, pally: Nasty and Jonny gather a crew of hardening criminals with the “special skills” needed to bypass casino security and break into an impregnable vault – a feat that will require a “legman” (or woman), a “boxman” (or woman), a “greaseman” (or woman), plus gymnastics, misdirection, trapeze skills, magic, fire, smooth-talking cons, showgirls, and (of course) all-star burlesque. Intricate planning, impeccable timing, precise blueprints, and plenty of practice make it seem like this caper is in the bag, but on the night of the break-in, the scheme goes south... and so do the pants. Can these scantily-clad felons pull off **THE BOOB JOB**?

It's a night full of cross and double cross, hot ice, cool cats, and ill-gotten gains... for the audience. Pinchbottom is thrilled to present our 22nd fully-scripted theatrical show, kicking off our third year of performances at Collective:Unconscious with one of our biggest, sexiest, and most intricately-plotted scripts yet: **THE BOOB JOB, a burlesque heist.**
